

# MCR Boardgame Borrowing System

## How it works:

1. Choose one or multiple games on the list of games.
2. Fill your name, email address, and the date on which you take the game(s) out into the **borrowing list** in the **MCR TV room**. Please bring your own pen.
3. Take the game(s) home with you and have fun :-)
4. When you return the game(s) (after 7 days latest), add the return date to your borrowing list entry.

## Important:

- Loan periods are **7 days**. If you would like to extend your loan, please create a new entry on the borrowing list.
- If you would like to borrow a game which has been taken out for over 7 days, feel free to email the MCR member who has the game. In this case, they are obliged to return the game/hand it over.
